San Jose Children's Discovery Museum
San Jose Convention, Arts and Entertainment
San Jose Unified School District
Sport-fishing Promotion Council
Youth Science Institute*

Volunteers are needed to:

- help teach fishing to beginning anglers
- manage equipment loan programs
- assist with habitat restoration projects

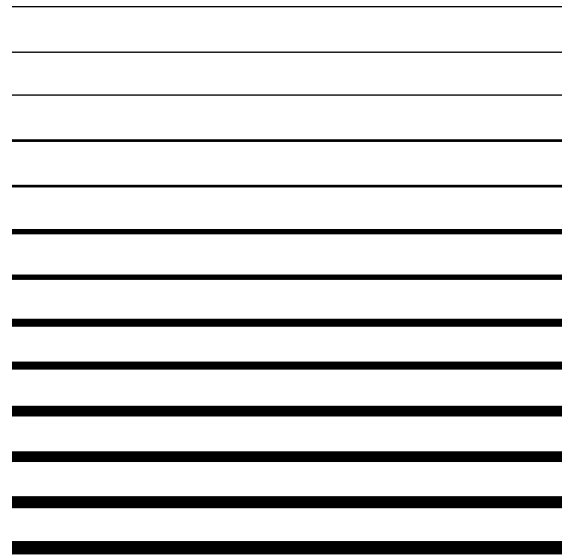

This program is supported through a special Federal excise tax on the sales of fishing tackle and motorboat fuel to improve your fishing and boating opportunities.

Urban Fishing Tips

Remember, A Good Angler:

- respects the rights of other anglers and outdoor recreationists
- keeps shorelines clean by not littering and picking up after others
- keeps only the fish they can use and carefully releases all other fish
- follows park rules and fishing regulations
- displays a California fishing license when fishing if they are 16 or older
- reports water polluters or poachers to park rangers or wardens by calling **CalTIP at 1(800)952-5400**

Call 1(800) ASK-FISH for information on fishing clinics and lake stocking.
